

Ignorance of doctrinal truth has cost many the privilege of reigning with the Lord Jesus in heaven. It is the main reason why many in the church today are claiming we have liberty when it comes to dressing, and so the ladies dress in provocative ways, that seduce men and cause them to lust. Women adorn themselves with make-up, jewelry, ornaments, attachments, wigs and different kinds of artificial things to attract others to themselves, rather than to Jesus Christ our Lord. This same ignorance has given room to divorce and re-marriage even among believers. Those engaged in these errors excuse their actions by saying these doctrinal truths were for the old saints or that these were only applicable in the Old Testament. Some even say, ***"We are in the new generation; those old rules do not / cannot fit the demands of our days."*** Their ignorance of these doctrinal truths has excluded them from the life of God.

The doctrine of truth is what makes you appear to be a Christian. Paul admonished Timothy to continue in the Biblical doctrines. Why? For the salvation of his soul - I Tim. 4:16. Was Timothy not yet born again at this point? Yes, he was, but he needed this doctrinal truth to maintain the salvation he had to the end, in order not to lose his eternal salvation.

Are you aware that the salvation you have received is temporal in nature and can be lost? You must be diligent to maintain this gift of salvation you have to the end, through your obedience to the entire Word of God, in order to gain the final (eternal) salvation - Phil. 2:13, Heb. 4:1.

Like the Berean Christians- Acts 17:10-11, examine carefully the Scriptures to ensure that you are fed the entire truth of God's Word. Take heed unto yourself and pay attention to **ALL** Biblical doctrines. Live by them. Do not join others who excuse themselves from these important truths.

In ignorance, do not be fooled into thinking the Lord will accept you with sin in your life, or exempt you from judgment, because of the work you are doing for Him - Matt. 7:21-23.

**THERE IS NO SAFE PLACE OR
COMFORT IN IGNORANCE.
IT IS TOO COSTLY!**

The Cost of Ignorance

In Law, Ignorance is not an excuse.

Do you know that being ignorant of the law does not exempt you from the punishment due, when you break it?

The saying, "Ignorance is no excuse of the law," is clearly portrayed in the story of King Abimelech (Gen. 20:1-18), who despite his claim of innocence and pureness of heart, was still subject to the judgment of God. When confronted by God, this king, like anyone of us, pleaded innocent due to his ignorance of the truth of the real matter, but did that exempt him from the judgment of God? NO! He had committed sin, broken God's law by taking another man's wife and was entitled to death as a result of it. The king also argued his case with God, as every child of God ought to—Isa. 43:26 and declared he had done this action in the integrity of his heart and innocence of his hands because he had been misinformed, but that still did not exonerate him from God's judgment—

**The king was doomed to die.
Unless....**

Like this king, we find many in our world today who religiously, out of sincere and innocent hearts, follow after God, but in the same token are sincerely wrong and condemned. Why? They were born into and are dedicated followers of religion that denounces the Lordship of Jesus Christ, the Savior - Jn. 3:36, but yet, in their eyes, they are right with God.

On the other hand, there are others, who though are in church and are truly dedicated to God's service and their leaders, have been misinformed and were not taught the **WHOLE** doctrine of Truth as outlined in the Scriptures. It is so sad to know that these 2 groups of people will end up their journey in HELL, despite their commitment and sacrifice. The same God, who did not excuse the ignorance of King Abimelech, but declared judgment on him for his errors, will not excuse the ignorance of these people. Hence, judgment will follow.

The king tried to prove his innocence by claiming he had tried his best by making an enquiry and that Abraham and Sarah had deceived him. These excuses were not good enough to escape the judgment already pronounced against his household. This is one of the great dangers of following after false teachers, prophets who promise false hope and assurance, guaranteeing their beguiled followers that "all is well," when the exact opposite is the case before God - Jer. 6:13-14.

**IGNORANCE IS DEADLY;
IT KILLS THE SOUL AND DAMNS IT
INTO EVERLASTING DEATH - Hos. 4:6**

THE WARNING

God saw the sincerity of Abimelech and decided to save him by demonstrating His mercies through some strange happenings, such as shutting up the womb of every woman in the king's household; they were all plagued with barrenness. He even prevented the king from touching Sarah - Gen. 20:6. This could have manifested as some kind of ailment or disease - all was done to get the king's attention, but he did not understand the message until God appeared to him in a dream.

In Acts 10:1-6, we read about Cornelius, a devout, generous and prayerful man, who feared God with all his house. The scriptures testifies of this man's godliness, yet he was ignorant of what he needed to do to get his name in the Book of Life and ultimately save himself and his family from damnation. His understanding of God's requirement for approval was very shallow and was based on the law. He was not aware that justification was no more by law, but by faith in Jesus Christ - Rom. 3:20-22. God saw the sincerity of Cornelius and sent an angel to him to instruct him on what he needed to do to get right with God. He obeyed and sent for Peter 35 miles away to hear the instruction of life for the salvation of his soul and that of his household.

If you do not want to perish, you must seek for the total truth of the gospel that will save your soul from condemnation. Search for the total gospel of TRUTH, embrace it, live by it, practice it - discover the doctrine of salvation, sanctification, restitution, holiness, etc. Make the necessary changes as needed. Are you in possession of someone else's property? Restore such to the rightful owner.

Are you in a second or "divorce and remarriage" situation? Repent and retribute your ways.

Are you living in willful sin? Repent, forsake such sins and turn to God - II Cor. 7:10. Make right your wrongs; ***DON'T CELEBRATE YOUR IGNORANCE!***

Do you not understand, that it is the mercies of God that is making you aware of these truths right now, in order for you to repent, correct your ways and ultimately save yourself from God's judgment? Just in case you are considering the shame/pain/cost of restituting your wrongs, thinking...***RESTITUTION IS TOO HARD,*** remember this pain/cost/shame involved in restitution can in no way be compared with the eternal pain/shame that will be experienced in HELL.

In Acts 23:1-5, we see Apostle Paul, as anointed as he was, when he was reproved for his error of speaking against the high priest, he humbly restituted, or else his labor in God's vineyard would have been in vain.

To as many, who desire to gain heaven at last, be aware that this race to heaven is a "sensitive journey" you can easily be disqualified at any point in time, hence the need to be very cautious. Seek knowledge, repent of your sins, and rectify your errors, or else the sentence for your sins remain effectively eternally.

God has the same standard of holiness for all His children, regardless of their denomination - I Pet. 1:15-16, I Thes. 4:3. He formed one Church and gave one Bible to His church, so be sure to verify your beliefs properly to ensure you are complying with the complete standard of God, as outlined in His Word.

Ignorance of the gospel truth on how to obtain peace with God has slain millions of unbelievers and is still doing so today - Jn. 14:6. **JESUS ALONE** is the Way to God. There is no alternative.

The same ignorance is seen in many preachers of the gospel today, who are busy leading people of ignorance on their way to HELL - Lk. 6:39. They are ignorant of the truth that will set them free from eternal damnation, so are their followers.
